Dear Customer,

1. WHAT IS EXPORT CREDIT REFINANCING-I PRE-SHIPMENT?

Export Credit Refinancing-i Pre-Shipment

- ECR-i Pre-Shipment is a facility (“Product” or “Facility”) designed to facilitate manufacturers / agricultural producers in financing the production of eligible goods, and to facilitate trading companies for the purchase / order of domestic intermediate / final products, for export prior to shipment.
- It is also used to finance imports / local purchases against the Bank’s Letter(s) of Credit, Inwards Bills under Document against Payment (“D/P”) or Document against Acceptance (“D/A”) and Local Inwards Bills / Direct Invoice.

Applicable Shariah Contract

- The main Shariah concept applicable is *Tawarruq* (tripartite sale), with Shariah concepts of *Wa’d* (Promise), *Wakalah* (Agency) and *Murabahah* (Cost-plus profit/markup) embedded in the *Tawarruq* arrangement.
- *Tawarruq* refers to two sale and purchase contracts. The first contract involves the sale of an asset by a seller to a purchaser on a deferred payment basis, followed by the second contract in which the purchaser of the first sale will sell the same asset to a third party on a cash and spot basis.
