1A. Application of Shariah principles

- (a) The Card issued by the Bank is based on the Shariah principle of *Tawarruq*, pursuant to which the Bank will purchase Commodities from the Commodities seller(s) and sell the Commodities to the Cardholder for the Cardholder’s onward sale to the third-party purchaser(s), to provide the Credit Limit to the Cardholder equivalent to the purchase price for the Commodities paid by the Bank to the Commodities seller(s). The relevant steps are described below.
The Cardholder will make a request and give an undertaking (“Purchase Request and Undertaking to Purchase”) to purchase identified Commodities from the Bank at the Bank’s Selling Price. The Bank’s Selling Price is based on the following formula: Profit: Commodities Cost (equivalent to the Credit Limit) x Profit Rate x Period. The exact amount of Profit to be paid by the Cardholder will be notified by the Bank to the Cardholder in the Approval Letter. In connection with the Purchase Request and Undertaking to Purchase, the Bank (in its own capacity) will purchase the Commodities from the Commodities seller(s).
- (b) The Bank will purchase the Commodities from the Commodities seller(s) at cost price which is equivalent to the credit limit amount approved by the Bank and subsequently, in its capacity as the Cardholder’s agent, sell the Commodities to the Cardholder based on *Murabahah* at the Bank’s Selling Price on a deferred payment basis, provided that the deferred payment period will not exceed five (5) years or such other period as the Bank may notify you in advance. The Selling Price or any part of it which may remain unpaid must be paid by the Cardholder in accordance with the relevant Card Statements, and such payments will be deemed to be payment of the Bank’s Selling Price (or relevant part of it);
- (c) The Bank, acting as an agent for the Cardholder, will subsequently sell the Commodities to third-party purchaser(s) at cost and on a spot basis. The proceeds from such sale will be disbursed to the Card Account and will constitute the Credit Limit. The unutilised Credit Limit available to Cardholders will be held by the Bank based on the Shariah principle of *Wadiah* (safe custody). At any time the Bank uses the available Credit Limit, such usage will be treated as an incidental *Qard*, and the Bank is required to refund the amount used;
- (d) Upon conclusion of the sale of the Commodities to the third-party purchaser(s), the Bank will issue the appropriate transaction confirmation to the Cardholder;
- (e) The Cardholder has the option to take delivery of the Commodities, subject to all related costs and expenses being borne entirely by the Cardholder. Where the Cardholder takes delivery of the Commodities, the Cardholder undertakes to pay the Selling Price in a lump sum upon conclusion of the *Tawarruq* transaction. The Cardholder also agrees that, in such circumstances, no credit line will be made available under the Card Account and no card will be issued to the Cardholder; and
- (f) The Bank may grant *ibra’* (Rebate) on part of or the entire Profit in the event of settlement or termination of the Card.
- (g) Pursuant to the Purchase Request and Undertaking to Purchase, the Cardholder and/or the Bank will do all acts necessary to execute and perform the *Tawarruq* transactions described above for any renewal or variation of the Credit Limit.

1B. Appointment as Agent

- (a) Under this Agreement, the Bank is appointed as the agent of the Cardholder to do all acts with respect to the following transactions as fully as the Cardholder could do himself and to negotiate with any person on behalf of the Cardholder in relation to such transactions. - (d) The Bank will use its reasonable endeavours to ensure that the proceeds from the sale of the Commodities are not less than the purchase price paid by the Bank for the Commodities.
- (e) In performing its duties under this **Clause 1B**, the Bank shall act as an undisclosed agent of the Cardholder and it shall not disclose that it is acting as an agent of the Cardholder PROVIDED THAT where the Bank may be required to do so under the arrangements the Bank has with the third-party purchaser(s) or any other third-party counterparties, the Bank may (and the Cardholder agrees that the Bank may) disclose that it is acting as the Cardholder’s agent and name the Cardholder as its principal.
- (f) All proceeds payable to the Cardholder from the sale of the Commodities to third-party purchaser(s) will be credited to the Cardholder’s Card Account.

- (k) The appointment of the Bank as agent will take effect from the date of such appointment and will apply to, and be sufficient for, any renewal or variation of the Credit Limit.
- (l) The Cardholder acknowledges that the Commodities under each Commodity Trade Transaction will be purchased and will be sold on the Cardholder’s behalf by the Bank on an “as is where is” basis, in each case without any form of warranty or representation to the Cardholder, any third party and/or purchaser.
- (m) The Cardholder will indemnify the Bank from all claims, losses, costs, expenses or damage that the Bank may suffer or incur as a result of fulfilling the Bank’s agency function as set out above save and except in the event of *ta’addi* (misconduct), *taqsir* (negligence) or *mukhalafah al-shurut* (breach of specified terms) on the part of the Bank in executing and performing the agency in this agreement and in such a case, the Bank will be liable and will compensate for loss or damage including any actual cost suffered by the Cardholder.
- (n) If any of the following occurs:
